**Year 12 SEND Admissions**  
(Students joining from other schools)

- Parents to email [SENDAdmin@tggsacademy.org](mailto:SENDAdmin@tggsacademy.org) with details of student SEND requirements by 15<sup>th</sup> September.
- Parents should provide the school with evidence of all other relevant documentation such as Educational Assessments, Educational Psychologist reports etc. (Note – parents may need to contact their daughters previous school for documentation.) This can be emailed to the school or sent as a hard copy.
- Any student with a medical condition is required to complete an IHP. The form is available on the school website and should be emailed to [SENDAdmin@tggsacademy.org](mailto:SENDAdmin@tggsacademy.org) by 15<sup>th</sup> September. (Any additional medical evidence should be sent or emailed into school.)
- The SEND HLTA will send all new students a SEND questionnaire to complete via the school registers.
- Any student joining the sixth form with SEND or a medical condition (if necessary) will be seen personally by the SEND HLTA. All SEND students will then complete a SSR form.
- The SSR contains information about additional needs / AA and students choose HQ T & L strategies to help support them in class. The SSR will be distributed to parents for their feedback. The SSR will be uploaded to SIMS and distributed to teaching staff. Students are then required to initiate a conversation with their teacher about their learning needs.
- We do not actively support sixth form students in lessons unless they have an EHCP. We support teachers through appropriate training to assist with HQ T & L, which is in line with the COP.
- Students with additional needs will be added to the SEND Register / AA list as appropriate and relevant information will be made available to teaching staff.
