MALALA YOUSAFZAI

We Are Displaced: My Journey and Stories from Refugee Girls Around the World

"A stirring and timely book." - New York Times Book Review

Malala Yousafzai introduces some of the people behind the statistics and news stories about the *millions of people displaced worldwide*.

Malala's experiences visiting refugee camps caused her to reconsider *her own displacement*. In *We Are Displaced*, which is part memoir, part communal storytelling, Malala not only explores *her own story*, but she also *shares the personal stories* of some of the incredible *girls* she has met on her journeys - girls who

have lost their community, relatives, and often the only world they've ever known.

In a time of immigration crises, war, and border conflicts, *We Are Displaced* is an important reminder from one of the world's most prominent young activists that every single one of the *68.5 million currently displaced* is a person - often a young person - with hopes and dreams.
